### Vorbereitung

#### Bewerbung / Einschreibung

(z.B. Bewerbungsschreiben, Fristen, zeitlicher Ablauf, Zusammenstellung des Stundenplans (mit/ohne ECTS))

Selection was done by small motivation paragraph sent to ERASMUS team. After selection, written contract was send via post by nternational office which I had to sign it and send it back to the International office. Deadline for contract submission was more than enough (almost 4 weeks). The course covers 6 ECTS on method section for my degree (Masters in Data science).

#### Finanzierung (z.B. Auslands-Bafög, ERASMUS-Förderung, anderen Stipendien, etc.)

ERASMUS funding.

#### Dokumente (z.B. Visa, Aufenthaltsgenehmigung, Reisepass, etc.)

Only signed agreement (sent from the ERASMUS office) was needed.

#### Sprachkurs (im Heimatland oder an der TU Dortmund, online, etc.)

No Language course was needed as the course was offered in English.

### Während des Aufenthalts

#### Ankunft (z.B. Anreise, Einschreibungsformalitäten; Einwohnermeldeamt)

We had to arrange our own trip. However, the registration process at the Host university was very nicely arranged. It was done on the very first day of our face-to-face class (which was on 11th

Sept,2023). No residence registration was needed as the stay was just for 5 days and I already had student visa for EU.

**Campus** (Ansprechpartner (z.B. International Office, Koordinatoren, etc.), Mensa, Cafeteria, Bibliothek, Computerräume)

Contact person was Prof. Maria Iannario. She was the program coordinator as well. Along side, there were many student volunteers from the host university with whom Prof. Iannario has introduced us the very first day. They helped us a lot finding the canteen, classrooms, labs during the entire stay.

**Vorlesungen** (z.B. Prüfungen, ECTS, Studienaufbau, Professoren, erforderliches Sprachniveau etc.)

In order to achieve grades (6 ECTS for method section), we had to submit a statistical report. Based on the report, our grades will be determined for the course. Series of lectures were arranged. Faculties and employees from different universities and organizations (e.g. IBM etc.) in EU in the field of Data science were invited for the same. Entire lecture was in English.

**Wohnen** (z.B. Wohnmöglichkeiten, Wohnungssuche/-ausstattung, Miete, Kautions, Wohngeld etc.)

We had to arrange our own accommodation. Although, some information about accommodations (such as some websites, hostel names) were provided by the host university which was very helpful. As the stay was just for 5 days, accommodation was manageable. It costed around 200 EUR for the rent in total.

**Unterhaltungskosten** (z.B. Lebensmittel, Miete, Benzin, Eintrittsgelder, Ermäßigungen, Studentenrabatte, etc.)

Host university arranged snacks and lunch every day. There was one day dinner outing as well for all the students of this course by the host university. Apart from that, food costed more or less 100 EUR for the entire abroad stay.

**Öffentliche Verkehrsmittel** (z.B. Verkehrsnetz, wichtige Buslinien, Fahrplan, Preise, Ticket-Verkaufsstellen, Fahrradverleih)

Flight costed around 100 EUR (both ways) from Dortmund to Napoli and vice versa. Other than that, we bought 1 week transport pass in Napoli which was around 50EUR but covered all means of transportation (bus, U bahn, Local trains etc.)

**Kontakte** (z.B. Tandem-/Mentorenprogramm, ESN-Betreuung, Sportmöglichkeiten, Vereine)

I didn't ask for this information.

**Nachtleben / Kultur** (z.B. Bars, Clubs, Einkaufsmöglichkeiten, Sehenswürdigkeiten, Kino, Ausflüge)

Shopping street in Napoli was awesome. University arranged one day dinner party for all the students of this course. Other than that, a visit to the underground museum of Napoli was organized by the host university free of cost. It was really a nice experience.

**Sonstiges** (z.B. Bank (Kreditkarte, Auslandskonto), Auslandsversicherung, Telefonieren, Internet, evtl. Nebenjob)

Nothing special was needed for the same, because German bank card and sim was working fine in Italy.
