<sup>1</sup> Adaptations of this template:

- In case the mobility combines teaching and training activities, **the mobility agreement for teaching template** should be used and adjusted to fit both activity types.
- In the case of mobility between higher education institutions (HEIs), this agreement must always be signed by the staff member, the sending and the receiving HEI (three signatures in total).
- In the case of **incoming mobility** of higher education staff to an organisation, this agreement must be signed by the participant, the beneficiary organisation, the sending HEI and the organisation receiving the staff member (**four signatures in total**). An additional space should be added for signature of the beneficiary organisation organising the mobility.

<sup>2</sup> **Seniority:** Junior (approx. < 10 years of experience), Intermediate (approx. > 10 and < 20 years of experience) or Senior (approx. > 20 years of experience).

<sup>3</sup> **Nationality:** Country to which the person belongs administratively and that issues the ID card and/or passport.

<sup>4</sup> **Erasmus Code:** A unique identifier that every higher education institution that has been awarded with the Erasmus Charter for Higher Education receives. It is only applicable to higher education institutions located in Programme Countries.

<sup>5</sup> **Country code:** ISO 3166-2 country codes available at: <https://www.iso.org/obp/ui>

<sup>6</sup> Circulating papers with original signatures is not compulsory. Scanned copies of signatures or electronic signatures may be accepted, depending on the national legislation of the country of the beneficiary institution (in the case of mobility with third countries not associated to the programme: the national legislation of the EU Member State or third country associated to the programme). Certificates of attendance can be provided electronically or through any other means accessible to the staff member and the sending institution.
