ISP 2026

INTERNATIONAL SUMMER PROGRAM

Referat
Internationales

>>Welcome to the ISP!<<

Get innovative,
hands-on study
opportunities designed to
both enhance your
academic experience and
build your resume, extend
your network, and give
you a unique international
set of skills in your field of
study.

German Language Course

- Required part of your schedule: twice a week for three hours each
- Classes on different levels: beginners, intermediate, advanced

Authentic Academic Experience

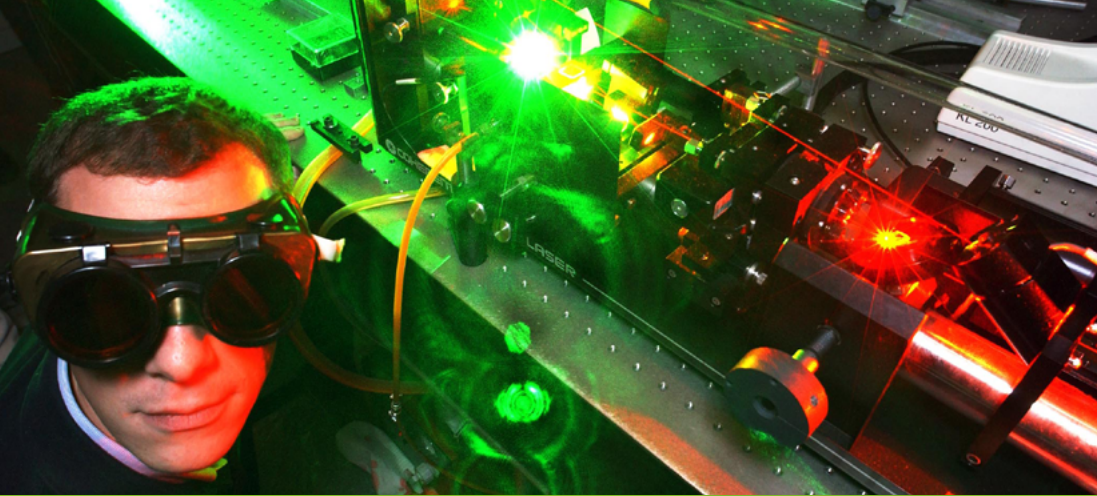

- ISP courses are part of the regular semester courses, taught for German and international students
- Credits will automatically be transferred to your home institution
- All courses are in English
- Selecting courses from different ISP tracks is possible

Cultural Program and Excursions

- You will explore Dortmund and the Ruhr Area, Germany's largest – and greenest – metropolitan area

Buddy Program

- You will be teamed up with Dortmund students who will help you become a part of campus and city life

TRACK A: ENGINEERING

This track is designed for students from partner universities in their third or fourth year. It is also suitable for graduate students.

You can get hands-on project work to gain practical experience. You can select from a catalog of courses in the following fields:

- Applied Mathematics
- Automation & Robotics
- Biochemical & Chemical Engineering
- Computer Science

Your course selection is complemented by two mandatory courses in German language and culture. A research project in addition to or instead of the regular ISP courses is possible.

TRACK B: HUMANITIES

This track is designed for students interested in the humanities, offering a broad range of perspectives from different disciplines.

Our discussion-based classes give you plenty of opportunity for interaction as you explore a variety of theoretical and practical approaches to understanding how we live and how we do things.

You can select from a catalog of courses in the following fields:

If you are interested in a special academic topic, you will be assisted in independent study projects by professors and specialists from different fields.

Your course selection is complemented by two mandatory courses in German language and culture.

- Cultural & Media Studies
- Political Science
- Sociology
- Entrepreneurship
