**TU DORTMUND UNIVERSITY**

**A UNIQUE PROFILE**

- Founded some 50 years ago, when coal and steel were defining the Ruhr area, since then a motor for the transition of the city and the whole region.
- Encompassing 17 departments – coming to TU Dortmund University from 110 different nations.
- Various scientific disciplines sharing one university spirit: communicative, innovative, unique.

**INTERNATIONAL**

- Well established exchange programs work hand in hand with new innovative formats.
- Diverse bilateral and multilateral research projects make relevant contributions to today’s and tomorrow’s global challenges.
- Being international on campus means:
  - Enjoying exciting intercultural events – discovering a wide spectrum of international music, arts and food.
  - Sharing experiences in intercultural trainings.

**WHY TU DORTMUND UNIVERSITY?**

- Ever heard of mobile robots? And what’s so funny about sitcoms? Choose from a large variety of interdisciplinary courses!
- Come stai? Nasılsın? Learn a new language in one of numerous free language classes!
- Ever tried underwater rugby before? Get sweaty in 75+ different sport programs.
- Getting hungry? Students enjoy freshly cooked meals in one of our cafeterias. Look out for many vegetarian meals in one of our cafeterias.
- Need fresh air between classes? Take the monorail, sit down and float above the trees between both university campuses.
- Need fresh air between classes? Grab a hot coffee and look for a nice spot on the green campus. You might even find a slackline nice spot on the green campus.
- Are you afraid of heights? Take the elevator in the Math tower and enjoy the great view. The big spider with yellow legs in the distance is the biggest soccer stadium in Germany: home of Borussia Dortmund.
- In need of some speed? Take the monorail, sit down and float above the trees between both university campuses.
- Ever tried dishes from 15+ countries in one night? Join intercultural events – eat, drink, dance and have fun!
- Afraid that studying abroad is not affordable? No need for that! Living costs in Dortmund are moderate and will leave you enough money to go on some adventurous trips while studying here.
- Need help with …? With a wide range of counseling services TU Dortmund University staff can help you with any question you might have!

**GOOD TO KNOW…**

- **TU LIFE CYCLE**
