

## TANDEM2JOB: ENTERING THE JOB MARKET

### ONE-TO-ONE-MENTORING FOR INTERNATIONAL STUDENTS WITH EXPERIENCED PROFESSIONALS

Are you planning to enter the German job market and want to reflect on your individual career goals with an experienced person?

Find out more about the Tandem2Job mentoring program!

## WHAT IS TANDEM2JOB?

Tandem2Job is a mentoring program that supports international students during the transition between university and the job market. As part of the one-to-one mentoring, you will receive an exclusive and personal insight into the world of work. You can also discuss your individual questions with an experienced professional.

## WHO ARE THE MENTORS?

The mentors are international graduates of TU Dortmund University who have successfully entered the German labor market as well as experienced professionals from Dortmund and regional companies.

## WHO ARE THE MENTEES?

Applying for Tandem2Job is possible for:

- International graduates of TU Dortmund University who are in the phase of their career entry
- International students who have come to Germany to study and are pursuing a degree program at TU Dortmund University
- International students with refugee background, pursuing their degree program at TU Dortmund University

The students should be at least in the fifth semester of their first degree or in the Master's program as well as concretely planning their career entry.

## BENEFITS FOR MENTEES

- Getting to know fields of work and structures at first hand
- Expanding your personal network
- Sharpening your applicant profile
- Further qualifications and hands-on experience through workshops
- Advice for job search
- Tips for communicating with superiors and co-workers

## DUTIES OF THE MENTEES

Get involved so that you can profit from all the advantages of the program:

- You take part in the obligatory meetings of the program
- You prepare for the tandem meetings
- You participate actively and openmindedly
- You treat acquired information confidentially

You can find information on application deadlines and the online application form [here](#).
