TU DORTMUND UNIVERSITY

A UNIQUE PROFILE

• Founded some 50 years ago, when coal and steel were defining the Ruhr area, since then a motor for the transition of the city and the whole region
• Encompassing 17 departments for science and engineering to social sciences and cultural studies
• An interdisciplinary approach to teaching, studying and doing research

INTERNATIONAL

At TU Dortmund University we live a global mindset:
• 540+ TU students gain unique experience while studying or doing an internship abroad
• 12% of all students are international – coming to TU Dortmund University from 110 different nations
• Active exchange with 55+ countries around the globe

• Well established exchange programs work hand in hand with new innovative formats
• Diverse bilateral and multilateral research projects, making relevant contributions to today’s and tomorrow’s global challenges
• Being international on campus means:
  • enjoying exciting intercultural events
  • discovering a wide spectrum of international music, arts and food
  • sharing experiences in intercultural trainings

WHY TU DORTMUND UNIVERSITY?

• Ever heard of mobile robots? And what’s so funny about sitcoms? Choose from a large variety of interdisciplinary courses!
• Come stai? Nasılsın? Learn a new language in one of numerous free language classes!
• Ever tried underwater rugby before? Get sweaty in 75+ different sport programs.
• Getting hungry? Sit down and enjoy freshly cooked meals in one of our cafeterias. Look out for many vegetarian and vegan options.
• Need fresh air between classes? Get a hot coffee and look for a nice spot on the green campus.
• In need of some speed? Float above the trees between both university campuses.
• Need help with …?
  • Afraid that studying abroad is not affordable?
  • Ever tried dishes from 15+ countries in one night?
  • Afraid that studying abroad is not affordable?
  • Need help with …?

• Buy a soccer ticket and experience “the yellow wall”. Sing along: Heja BVB!
• Use your chance to visit local museums and attend a premiere at one of Dortmund’s public theaters: for you, it’s free!
• And if you want even more: hop on a high-speed train or take a plane to discover Europe and its capital cities

GOOD TO KNOW...

TU LIFE CYCLE

• Each academic year:
